News and Notes brought  
to agents exclusively from

# Fast 5 on Friday

1. Repealing ObamaCare and passing a replacement has been more difficult than Congress was expecting. The American Health Care Act, now known as “TrumpCare” has been going through a lot of back and forth to come up with a bill that Congress can pass, as this [article](#) details. Don’t forget that we have the only plan that is compliant with ObamaCare and ready for TrumpCare. Send a note to the [Fast 5](#) inbox for more details.
2. If you have not heard, most under 65 health insurance marketing is being conducted on Facebook. This week we conducted a Facebook marketing training webinar. On the webinar, we showed agents how to get started using Facebook. We also showed them how to obtain their own customized website to help promote their Facebook marketing. For more information on how to work with us on our unique health insurance program, send a note to the [Fast 5](#) inbox.
3. Is Life Insurance needed in an Estate Plan if there is no Estate Tax? As you know, President Trump has indicated his interest in getting rid of this tax. However, how will the government come up with the gap in revenue that is created. Some have argued that the Estate Tax will be replaced with a new Capital Gains tax on inherited assets. Life Insurance is still the best way to pass assets to heirs as [Forbes](#) magazine reminds.
4. Don’t forget to attend next month’s [National Medicare Supplement Conference](#) here in Dallas. There are still tickets left for the FREE agent day. We are also hosting a special event for our select Producers. Please send a note to the [Fast 5](#) inbox to let us know if you plan to be in Dallas for the Conference in April.
5. As part of the Med Supp conference, there will also be the first ever National Short Term Care Insurance Summit. If you have not started selling Short Term Care, you need to get on board as traditional LTCI rates keep going through the roof and carriers keep leaving the market. Short Term Care is a solution for many of our clients and they can qualify much more easily for it. Don’t miss it!
